AWARDS

SCHOOL MAINTENANCE

The school has had some uneven and raised asphalt areas repaired and smoothed out to ensure there are no tripping hazards. Our community service workers have painted our garden benches too.

SWIMMING PROGRAM 2026

Our school's annual swimming program for grade prep to grade 6 will run this term. The school has been successful in receiving Sporting Schools funding, so we are going to strike while the iron is hot, as funding is not always available each term.

The program will run during the last week of term Monday 22nd June and runs for 5 days through to Friday 26th June at Monbulk Aquatic Centre in Monbulk. Our aim is to utilise this pool and lower overall running costs by eliminating the need for buses. We will therefore be relying on parent helpers to help transport students privately.

LITERACY DAY INCURSION

Next Wednesday afternoon on May 6th our school is hosting a celebration of books at our Literacy Day. After MARC Van we are having literacy quizzes, poetry & fractured fairy tale activities. This will be followed by our school being presented with new books for students and our library by 1.2.3 Read to Me and KIWANIS. The event starts at 1.15 pm and all parents are welcome to attend.

Students are to dress up as their favourite book character. So, start preparing your costume.
