CORONAVIRUS UPDATE

It's been two weeks since we have been back from lockdown and the kids haven't skipped a beat. It's been great to see their smiling faces and eagerness to reconnect with their peers and teachers.

As the school settles into the new routines and guidelines post lockdown I remind parents of the following expectations and events occurring prior to end of term.

- If you are unwell, you must stay at home. This is to keep you safe, and everyone at school safe.
- The school has purchased non- alcoholic hand sanitizer for any students that have experienced a skin reaction to the alcoholic based sanitizer.
- Remember to provide your child with a drink bottle as outside taps are not operational at the school.
- Reports will look quite different this year.
- Parent-teacher interviews and meetings will take place using video conference only if requested.
- Camps, excursions and school community gatherings will not take place until further notice.

FOOD BANK

Our school has some extra food items through our sponsorship with Food Bank Victoria. Any families who would like some free Weet-Bix, tinned fruit, porridge/muesli, UHT milk, vegemite, baked beans and/or stockpot – see Mr. T asap.

2020 SCHOOL FEES ARE NOW DUE

A school our size relies heavily on payments of school fees, voluntary fees, and other charges relating to excursions, incursions, and activities. It is with these funds that the school is able to provide students with classroom resources and facilitate the running of educational programs.

We are happy to accept a payment plan to assist you with making regular payments that will suit your personal situation. If you are wishing to participate in the payment plan agreement obtain a form from the office.

If you don't want to participate in the payment plan agreement could you please make arrangement to settle your account at your earliest convenience.

Thank you

Cathy
